Dear Neighbor and Business,

The Friends of the Locktown Stone Church are seeking sponsors for its upcoming Fall Concert Series scheduled for October this year.

The Locktown Stone Church is a nationally registered historic site in Delaware Township, Hunterdon County. Built in 1819, the church is now owned by the township and operated by the Friends of the Locktown Stone Church (FoLSC). The FoLSC is a 501(c)3 non-profit organization tasked with preserving and maintaining the structure and making it available for public and private events.

To date, the FoLSC have been able to raise enough funds for the needs of the church through a combination of private donations, public and private grants and events such as the Fall Concert Series, which has been among the organization's most popular, well-attended events.

After a two-year hiatus, the FoLSC are pleased to restart the series with four performances during the month of October. As a result of the hiatus due to the pandemic, we have not received any grant funding in two years. Offering a wide range of musical genres to the community, we hope to keep the ticket price at \$15 per attendee for each performance to make them accessible to all in the community who wish to attend.

We are hoping your sponsorship for the series will help underwrite the cost of the performers. Sponsorships are available for a \$100 minimum, although donations at a higher level are appreciated. Sponsors will be acknowledged through our social media channels and website, as well as in and during the performance programs. We will include two tickets for each performance as part of the sponsorship.

If you or your business can help sponsor the Fall Concert Series, please complete the enclosed form and return with your payment to the Friends of the Locktown Stone Church by September 2, 2022

Best regards,
Board of Trustees,
Friends of the Locktown Stone Church
